

Instructions for the Peabody Logan Express

The Peabody Logan Express provides transportation from Logan Airport to the bus station in Peabody, about 10 minutes from the hotel. The hotel shuttle will pick up guests at the Peabody bus station.

Step 1: When you arrive at Logan Airport (BOS) and have collected any checked luggage, go to the Peabody Station pickup area (outside of each terminal in the designated passenger pickup area). The bus leaves at 15 minutes past the hour, every hour. You'll purchase your ticket on the bus and tell the driver to call the DoubleTree by Hilton in Danvers (978-777-2500) to arrange for the hotel's shuttle to meet you at the Peabody Station.

Step 2: The hotel shuttle is offered based on availability. If you arrive too late at night for the hotel shuttle to pick you up, you can use a cab for the short ride to the hotel from the Peabody Station. When the bus driver calls the hotel to let them know they have a passenger needing to be picked up at the bus station, if they are informed that the shuttle is no longer running or is unavailable for any reason, you can ask the driver to call ahead to the bus station to arrange for a cab to transport you to the hotel from the station.

- The Peabody Shuttle runs from 3:15 AM to 1:15 AM, departing the station for the Logan Airport at 15 minutes past each hour – same schedule both directions.
- The hotel shuttle doesn't usually begin service until after 7 AM so those of you who have outbound flights between 7 and 8 AM will need to make other arrangements such as a CAB or UBER to get from the hotel to the station on Sunday morning.
- At night, the hotel shuttle should be available until at least 8 PM and sometimes until 10 PM if a driver is available.
- The cost for the Peabody Shuttle is \$12/one way and \$22/round trip.
- Seniors: (65+) \$11 one way/\$20 round trip

Return Trip: If you don't initially purchase a round trip ticket, on the return trip, you will need to purchase your ticket at the Peabody Station prior to boarding a bus to the airport so plan to arrive at least 15 minutes before departure.
