

Jennifer Stern-Hasemann **ASG Hall of Fame Winner for 2026**

Jennifer Stern-Hasemann is the owner and designer of J Stern Designs, where she brings her expertise in pattern drafting, garment construction, and fit to sewists of all levels. Known for her clear, approachable sewing patterns and fit workbooks, she specializes in helping people create garments that truly fit and flatter. Pants and jeans are her passion, and after testing every method imaginable, she refined a process that makes pants fitting accessible for every body.

She is a popular, in-demand, sewing educator among ASG members and an active promoter of ASG throughout the country!
